## **About Mt. Vernon Theatre**

- Mt. Vernon Theatre is managed and operated by a 5 member Executive Board of Directors.
- The Executive Board sets policy, procedures, participates in fundraising and appoints members to the Operations Board.
- The 35 member Operations Board manages the operations of the theater, the planning and implementation of the events and fundraising.
- Boards are volunteer and receive no benefits or compensation.
- Mt. Vernon Theatre is a not-for-profit 501(c)3 organization. All donations are tax deductible.
- The Theatre will be used as a multi-purpose cultural arts facility, including movies.
- The Theatre Courtyard will be available on a fee basis for weddings, parties, etc.
- A Theatre Manager will be appointed to schedule appropriate events such as movies, theatrical productions, concerts, lecture series, dance recitals, etc., and to manage the daily operation of the theater.

Tallassee  
Music Boosters  
Presents

**21st Annual  
Fabulous  
Follies**

Admission \$5.00  
(6 and under FREE)

**Friday & Saturday  
March 16th & 17th**

*Tallassee High School Auditorium  
Beginning At 7:00 p.m.*

The Tallassee Music Boosters will present their 21st Performance of the "Fabulous Follies" this coming March. Ms. Pat Merrett is already hard at work setting the program, arranging for actors and props, and readying the music for what promises to be another outstanding performance to benefit the bands and choirs in the city schools. She is not divulging details yet, other than to confirm that she is yielding to popular demand for the return of "Missus Whiggins" and Mr. Tudball in the classic intercom sketch. More details will be announced in the next Quarterly.

Mark your calendars now for Friday-Saturday,  
March 16th & 17th at 7 PM, in the THS Auditorium.

**Piano Duet Recital featuring**

**Cynthia Perry McCrae & Leslye Taunton Ames.**

Cynthia Perry McCrae studied piano at the University of Alabama and the Eastman School of Music in Rochester, New York. Cynthia recently retired from the University of Montevallo as a Professor of Piano after 24 years' service. Leslye Taunton Ames received her piano studies at the University of Montevallo. Presently, Leslye is Director of Music at the First United Methodist Church in Tallassee, Alabama, and has maintained a private piano studio for 20 years. It was at the University of Montevallo that Leslye studied under Cynthia. These two have recently teamed up to present this program of piano duets and will feature music of the Romantic period. Also, joining these two on the cello will be Elizabeth Ames, daughter of Leslye Ames.

**PROFTS FOR CHRIST**  
"Whoever is kind to the needy honors God." - Proverbs 14:31  
We go through life thinking, "That would never happen to me", but truth is, MISFORTUNE is guaranteed. We don't know what tomorrow holds or even the next minute for that matter. But PROFTS does and that is why Profts For Christ is in existence.  
PFC is a group of Christian girls and volunteers whose aim is to help those in need of transportation due to medical reasons and we not only do that but also offer way, but for glass, PFC is not an organization or a medical center but they believe that it is their mission through the call of our Holy Father to help those that are in need and not just offer the money.  
Profts For Christ does not receive any form of government funding and does not get contributions from insurance companies. They are fully funded by individuals, churches, civic organizations, and businesses. If you feel that Profts For Christ is your heart to make a contribution please visit their website at [www.proftsforchrist.org](http://www.proftsforchrist.org) and an always your gift is tax deductible.

### No Tunnel Vision – Setting Priorities

During my time as Superintendent I have spoken about what things I believe are most important to our school system. Safety is always at the top of the list followed by increasing our academic expectations and improving facilities in our system. These are certainly key priorities for us, but sometimes the thought is that if

you are improving the athletic facilities or playgrounds, then we are ignoring other needs in our system like academics or band and choir. Nothing could be further from the truth. We are fortunate to be able to work on multiple aspects of our system at the same time.

Our academic priorities and accomplishments sometime go unnoticed. Let me share what we are doing to improve our system academically. Every year each of our schools develop a Continuous Improvement Plan that sets several academic goals for our schools to work towards achieving during the upcoming school year. These goals are usually focused on math or reading and are established by using test score data. Every year we reassess these goals and set new ones to drive our classroom instructional decisions. In the last two years we have implemented a new reading program called Reading Horizon and have been very happy with the

results. Reading Horizon's is a direct instruction, reading intervention program and is being used in grades K-12.

We have implemented a one to one technology initiative in grades 5-12. We are constantly reviewing this initiative to continue improving its impact. We are looking for learning gains. We have re-directed a teaching position from Tallassee High School (Mrs. Brooke Barron) into an Instructional Coach assigned to Tallassee High School to help teacher's better use technology as an instructional tool in their classrooms. At Southside Middle School we have made a similar arrangement with Mrs. Britney Spencer supporting improved instruction on that campus. This has been a very 'popular' initiative however we hope the best has yet to come as we make improvements. Our 'new' career center is completed, where numerous dual enrollment classes are made available to our students. Our state standards are aimed at making our students college and career ready.

We are making progress with our academic goals in our system. Our focus is to make progress every year in all of our schools. We have established our vision and are prioritizing resources accordingly. We do not have tunnel vision, only focusing on one area of our system at a time. We are able to focus on academics, athletics, and music all at the same time. My hope is that we can give all of our children the resources they need to be successful, no matter what path they choose to follow.

### Planning for Our Future

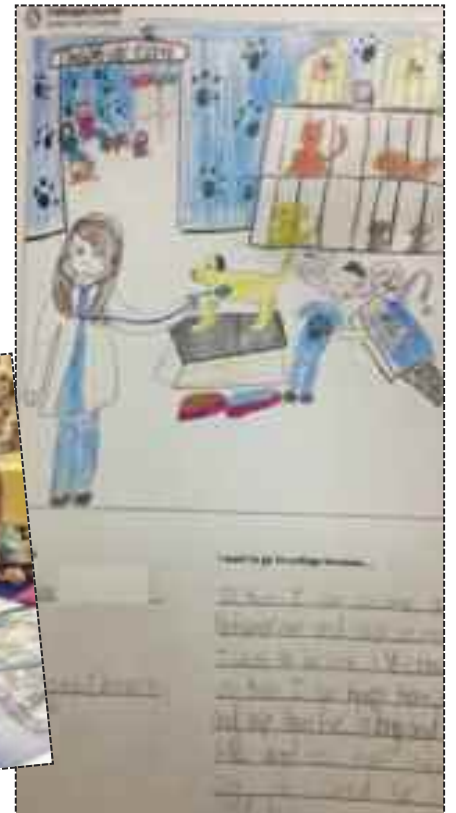

At Tallassee Elementary, we encourage our students to begin thinking about future career opportunities. Within the academic year, the guidance counselor and teachers implement instruction that focus on careers. Although our students are in the elementary stage of their academic journey, we know it is never too early to plan for the future.

Through Tallassee Elementary Guidance Department, fourth grade students participated in the College Counts Smart Art Contest for fourth grade students across the state. This contest is sponsored by the Alabama Office of State Treasurer and Alabama State Dept. of Education. Also, the contest encourages students to think early about college and careers. The local and state winners will receive funds to go towards their Alabama's College Counts 529 account.

### Family Engagement

Parent involvement is a vital component of student academic achievement. Throughout the school year, parents and students are treated to family engagement events. During these events, families are provided an opportunity to participate in their child's learning and acquire information regarding the academic process. Furthermore, these activities provide families with insight on College and Career Readiness standards being implemented in the classroom. As educators, our goal is to establish a partnership between home and school to support learning for our students.

# The 19th Annual “Battles for the Armory” Civil War Reenactment

Reenactment will be held on November 9th, 10th, 11th and 12th, 2017 at Gibson's View Plantation on Rifle Range Road 2-miles south of Tallassee. Thursday, November 9th will be “School Day” as students from public, private and home schools from all over east-central Alabama will learn about life in the Confederate Armory and about life in the 1860s. There will various period demonstrators including a Blacksmith, Field Artillery, Soldier Drills, Period Food, Period Dancing, Period Music and many period vendors. Cost is \$5 per student.

Friday, November 10th will be Living History Day with soldier's camps open to the public, as well as, period vendors and some demonstrators and a soldier's parade.

Saturday, November 11th and Sunday, November 12th are battle days as the local battles of Chehaw Station and Franklin are re-created on the large Gibson View Battlefield. Battle times are at 2PM each day. These two battles saved the Tallassee Confederate Armory from being destroyed by Union Raiders. Prior to the battles there will be cavalry demonstrations, carriage rides, period vendors (sutlers) period food, a modern food vendor and other modern vendors.

Something new this year will be a first-class Arts and Crafts Fair both Saturday and Sunday. There will be artist, craftsmen and craftswomen selling quality made items. These vendors will come from all over the southeast for this first-ever Arts and Crafts Fair in Tallassee, Alabama.

A one-day pass for all events is only \$5 with school children admitted free of charge.

For More information call Randall Hughey at 334-283-6888.

*Merry Christmas! May God bless you in the New Year!*
